CMCA SCHOLARSHIP COMMITTEE GUIDELINES FOR SCHOLARSHIP AWARDS

- Applicants must be a member of the CMCA by March 31 of the current year.
- The scholarship funding program attempts to assist financially as many applicants as possible, therefore no full scholarships will be awarded. This guideline assumes continued numerous applications and limited funding.
- Consecutively awarded scholarships may be reduced in order to encourage municipalities to budget for the education/conference for their own clerks and to further maximize participation in the Institute Program.
- Scholarship awards will be actual education/conference expenses only.
- Municipal Clerks and those Deputy Clerks fulfilling the functions and bearing the responsibility of the Municipal Clerk (as certified by the Municipal Clerk) shall receive first priority in consideration of scholarship awards, after which applications for Deputy Clerks shall be considered.
